- a) Athletes who have currently achieved at least 3rd placing e.g. time/distance/score/mark of the 2023 SEA Games. As Skateboarding was not featured at the 2023 SEA Games, SRF will use the 6<sup>th</sup> placing scores from the 2022 Asian Games as benchmark for athlete nomination.

2022 Asian Games – 6<sup>th</sup> Placing Benchmark

<b>Men's</b>	63.74	103.31
<b>Women's</b>	60.41	148.91

- b) Athletes who miss the qualifying standard marginally but show potential to equal or surpass it in time for the Games. This will include athletes who have shown ability to achieve a score that is within 5% to the 6<sup>th</sup> placing scores in the 2022 Asian Games.
- c) All achievements will be assessed on a score-based benchmark primarily with Head-to-Head results serving as supporting information.
- d) All achievements submitted for consideration should have taken place at international competitions sanctioned by the International and/or Regional controlling bodies, but NSAs may submit the achievements from overseas championships and meets of athletes studying in overseas tertiary institutions. However, these have to be properly accredited and sanctioned to be accepted.
- e) All achievements should be achieved from 31<sup>st</sup> March 2025 up to 5<sup>th</sup> September 2025, which is 2 weeks before 19<sup>th</sup> September Entry by Name deadline, as the nominations have to be submitted to the SNOC Appeals Committee for approval before the deadline.
